L - GLUTATHIONE

VITAMIN C

LIPOSOMAL TECHNOLOGY

THE BETTER LIPOSOMAL BRAND®

THE KNOW - HOW

L-GLUTATHIONE (GSH, REDUCED GLUTATHIONE) IS A TRI-PEPTIDE, MADE UP OF 3 AMINO ACIDS. IT CONJUGATES TO DRUGS, MAKING THEM SOLUBLE FOR EXCRETION. IT IS ALSO A CO-FACTOR FOR THE ENZYME GLUTATHIONE PEROXIDASE, AN ENZYME INVOLVED IN CELLULAR DETOXIFICATION AND THE ELIMINATION OF ENDOGENOUSLY PRODUCED TOXICANTS.

VITAMIN C, IN IT'S BIOLOGICALLY ACTIVE STATE FUNCTIONS AS A REDUCING AGENT AND A COENZYME IN MULTIPLE METABOLIC PATHWAYS. VITAMIN C IS CONSIDERED ONE OF THE MOST IMPORTANT ANTI-OXIDANTS TO EXIST WITHIN THE HUMAN BODY, AND ALSO PLAYS A VITAL ROLE IN THE ACTIVATION OF GSH.

LIPOSOMAL ENCAPSULATION TECHNOLOGY IS ONE OF THE MOST EFFECTIVE DRUG DELIVERY APPLICATIONS OF MODERN DAY. IT WORKS BY UTILIZING PHOSPHOLIPIDS (FAT SOLUBLE LIPIDS) TO DELIVER NUTRIENTS KNOWN FOR THEIR POOR ABSORPTION SUCH AS GLUTATHIONE, VITAMIN C, VITAMIN B COMPLEX AND ALPHA LIPOIC ACID DIRECTLY INTO THE CELLS. LIPOSOMES ARE TINY VESICLES THAT ARE MADE OUT OF THE SAME MATERIAL AS YOUR BODY'S CELL MEMBRANES. LIPOSOMES ALLOW NUTRIENTS TO BE DELIVERED IN TACT TO THE RIGHT ORGANS AND TISSUES, IN THEIR FULL, NON-DECOMPOSED STATE, THIS ENHANCES THE BIOAVAILABILITY OF THE SUPPLEMENT, TEN FOLD.

MANUFACTURED IN THE USA.

LIPOSOMAL
PRODUCTS™

LIPOSOMAL GLUTATHIONE

FREE FROM SOY,
WHEAT, GLUTEN,
DAIRY, EGGS & FISH

CONTAINS NATURALLY
STRUCTURED LIPOSOMES
USING A PROPRIETARY
PHYSICIAN FORMULA.

NON-GMO, 100%
ORGANIC
INGREDIENTS.

FORMULATED
BY EXPERTS IN THE
INDUSTRY.

SUITABLE FOR VEGANS
&
VEGETARIANS.

MANUFACTURED IN THE USA.
